INSPIRATION FOUND

NORTHERN STARS

PRODUCED BY BRITTANY S. CHEVALIER

WE ARE COMMEMORATING THE YEAR'S BITTER MONTHS BY EMBRACING THE NATURAL MANIFESTATIONS OF THE SEASON. REMINISCENT OF THE NORTHERN LIGHTS VISIBLE IN THE ARCTIC, THE PIECES FOUND ON THIS PAGE TOGETHER SHOW THAT STYLE MAKERS ARE TAKING THEIR CUES FROM THE WORLD'S GLACIAL LANDSCAPES AND CRAFTING ETHEREAL PRODUCTS THAT WILL REMAIN COOL WELL BEYOND WINTER'S LAST SNOWFALL.

Clockwise from top left: Tropicana Lattice Rug by Ferrick Mason / Price upon request / wovenonline.com. NI 2616, 2016, by Sam Messenger / davidsoncontemporary.com.
