“
GET *the* LOOK

“Working with Katie Holmes was an eye-opening experience on all levels. She possesses that singular quality of elevating everything she touches to the next level. I loved that she knew who she was and how she wanted to look. Staying true to herself and her personal style was paramount, and the pictures are proof that we are all the better for it. Teaming Holmes with superstar photographer Mary Ellen Matthews and superstar stylist Cristina Ehrlich proved to be a phenomenal trifecta of talent during which everyone brought their A-game.” —James Aguiar, *Modern Luxury* fashion director
